

DigiWheel Kiosk

Turn Your Loyalty Program Into a Showstopper!

Create a compelling reason for guests to walk through the doors, with promotions that feel like entertainment.

- **Automate & Optimise Your Promotions**

Replace manual promo management with a fully automated system that verifies player eligibility and rewards them instantly through your existing CMS.

- **Targeted Campaigns that Drive Action**

Launch smart campaigns based on tier levels, point thresholds, birthdays, or custom criteria — all configured to your casino's marketing needs.

- **Immersive, Gamified Rewards**

Give your guests more than just credits — deliver a full, interactive experience with realtime engagement that feels like a win, not a handout.

- **Smarter Promotions, Measurable Impact**

Track campaign performance, redemption rates, and player activity to refine your offers and increase ROI over time.

- **Create Timely, Dynamic Experiences**

Schedule spins for holidays, birthdays, or events — the system automatically recognises when a guest qualifies and delivers the experience.
